A Rich Tradition Brings a New Season

A Message from the Executive Director

Located on a beautiful 40-acre campus, The Wesleyan at Estrella is unique because it is a faith-based not-for-profit community. We have an excellent reputation and rich history in Georgetown of more than fifty years. Resident centered core values and our mission support a welcoming environment.

The Wesleyan at Estrella's Wellness Program won Leading Age Texas' Innovative Program of the Year Award in 2014. As the common thread, it is present in everything we do. The Wesleyan Wellness Program was created by a residents committee after much research and is administered by a Certified Aerobics Fitness Instructor who keeps abreast of the latest programs in

Senior Fitness. The Wesleyan Wellness Program is comprehensive, offering a variety of exercise programs, exciting trips, lifelong learnings, and spiritual enrichment. At The Wesleyan, Wellness is incorporated into daily life.

Multiple options of senior living like cottage and apartment living, assisted living, long term nursing and temporary rehabilitation, home health and hospice care are available within Wesleyan Homes, making transitions to different levels of care convenient if changes in health needs arise.

You will not find a staff, in Georgetown, with more longevity or passion for working with seniors. We invite you to visit us and experience the Wesleyan Way.

It is our hope that we will have the opportunity to provide exceptional service to you!

Many Blessings,

A handwritten signature in cursive script that reads "Becky Folta-May".

Becky Folta-May
Executive Director
